**Visit Cascade Water Alliance's Booth at the Bellevue Strawberry Festival  
For Free Conservation Items**

Visit Cascade Water Alliance's traveling conservation booth at the Bellevue Strawberry Festival on June 25 and 26. The travelling conservation booth is part of Cascade's WaterSense Road Show, and provides free water conservation-related items and information to the community.

Stop by the booth and pick up free conservation items such as showerheads, kitchen and bathroom faucet aerators, rain gauges, shower timers and more. These items save water and can help you save money on your water bill. Knowledgeable staff will be on hand to answer questions about water conservation, water supply and Cascade's programs and services.

Date and time:            Saturday, June 25, 10:00 a.m. to 8:00 p.m.  
   Sunday, June 26, 10:00 a.m. to 5:00 p.m.

Location:                    Crossroads Park, 16000 NE 10<sup>th</sup> Street, Bellevue

A robust conservation program is a major component of Cascade's long range water supply management strategy. Since 2004, Cascade Water Alliance has offered conservation programs to help residents reduce their water use and save money. Please visit [www.cascadewater.org](http://www.cascadewater.org) for information about additional Road Show events in your city.

Cascade is a non-profit corporation comprised of eight municipalities and water districts that joined together in 1999 to provide water supply for current and future needs. It includes the cities of Bellevue, Issaquah, Kirkland, Redmond and Tukwila and the Covington Water District, the Skyway Water and Sewer District and the Sammamish Plateau Water and Sewer District. Cascade currently serves 400,000 residents and 22,000 businesses. For more information visit [www.cascadewater.org](http://www.cascadewater.org)
