**Visit Cascade's Road Show at the Kirkland Wednesday Market
For Free Conservation Items and Information**

Cascade Water Alliance is bringing its Water Sense Conservation Road Show booth to the Kirkland Wednesday Market on July 20, 2011. Cascade brings the booth to different community events, festivals and farmers' markets to provide free water conservation-related items and information to the community.

Knowledgeable staff will be on hand to answer questions about water conservation and Cascade's programs, and anyone can stop by the booth to pick up FREE conservation items such as showerheads, kitchen and bathroom faucet aerators, rain gauges, shower timers and more.

Date: Wednesday, July 20, 2011

Time: 2:00 pm to 7:00 pm

Location: Park Lane, Downtown Kirkland

Please visit www.cascadewater.org for information about additional events where Cascade will be bringing its Road Show. For more information about Derby Days, visit www.kirklandwednesdaymarket.org.

A robust conservation program is a major component of Cascade's long range water supply management strategy. Since 2004, Cascade Water Alliance has offered conservation programs to help people reduce their water use and save money. Cascade is a non-profit corporation comprised of eight municipalities and water districts that joined together in 1999 to provide water supply for current and future needs. It includes the cities of Bellevue, Issaquah, Kirkland, Redmond and Tukwila and the Covington Water District, the Skyway Water and Sewer District and the Sammamish Plateau Water and Sewer District. The agency currently serves 400,000 residents and 22,000 businesses. For more information visit www.cascadewater.org
