The cities of Auburn, Bonney Lake, Buckley and Sumner have signed an agreement with the Cascade Water Alliance to ensure the four cities have water to help them meet their water needs over the next 50 years.

The Bellevue-based alliance is a nonprofit corporation comprised of five east and south King County cities (Bellevue, Redmond, Kirkland, Issaquah, and Tukwila) and three municipal districts (Covington Water District, Sammamish Plateau Water and Sewer District and the Skyway Water and Sewer District).

The signing took place at meeting of the Lake Tapps Task Force attended by over 100 leaders celebrating the saving of Lake Tapps.
