

Cascade Commercial Water Efficiency Audit Application

Cascade Water Alliance wants to help you save water. By changing certain water-using processes, eliminating waste and inefficiency, and installing high efficiency fixtures, you can significantly reduce your water use, lower your utility bills, and help ensure a reliable water supply for future generations. If your drinking water is provided by a Cascade Water Alliance member, you can request an audit of your facility’s water use at **no charge**.

Who Is Eligible?

Any non-residential facility (business, industry, office park, school or public facility) whose water is provided by Bellevue, Issaquah, Kirkland, Redmond, Tukwila, Sammamish Plateau Water and Sewer District, or Skyway Water and Sewer District.
