

Cascade Irrigation System Evaluation Application

Introduction

Cascade Water Alliance wants to help you save water. Cascade offers FREE evaluations of automatic, in-ground sprinkler systems at commercial, multi-family, or public properties to help customers use water more efficiently and lower their utility bills. Please provide the information requested below. Submit the completed application to mbrent@cascadewater.org. If you have any questions, contact Michael Brent, Water Resources Manager, telephone: 425-453-1810.

Requirements

- You must pay your water bill to a member of Cascade Water Alliance. Cascade members are Bellevue, Issaquah, Kirkland, Redmond, Sammamish Plateau Water and Sewer District, Skyway Water and Sewer District, and Tukwila.
- The irrigation or landscape contractor responsible for this site must participate in the evaluation.
- The irrigation system must be fully operational and all zones must function at the time of the evaluation.
- You must agree to meet with Cascade staff and discuss the results of the evaluation.
